

PRE-MARITAL COUNSELING

First Baptist Roswell

Preparing for Marriage

Research has shown that couples who participate in premarital education have more realistic expectations, handle conflict better and have improved communication skills. This workshop will introduce couples to a number of useful tools and skills to get you off to a healthy beginning.

Depending on the schedule of weddings, one day workshops are periodically offered for a group. Call to find out the date for the next upcoming workshop. If a workshop is not scheduled, couples can meet with Dr. Hamilton for premarital education.
