

Dear First Baptist Roswell Kindergarten Parents,

We are so happy that you have chosen to have your child join us at FBRK next year! We are filling up fast and it should be another fun and delightful school year together.

As we look towards this next school year, we are evaluating our operating budget in light of continually rising costs. We have come to realize that the ability of our school to continue to offer what it has in the past is in jeopardy. We want to ensure that we can serve your children and continue giving them the same enriching experiences and quality activities in our classrooms. Equally as important, we want to retain our excellent and loving teachers, as it is often difficult and expensive to replace them.

FBRK has not had a tuition increase in well over 10 years. We are currently well below the tuition rates of our neighboring preschools. We know that all of us are feeling the pain of increased costs, but as we face the danger of running a deficit or having to make significant program cuts, we have made the difficult choice to raise FBRK's monthly tuition. Please keep in mind that this will support our budget while also bringing our rates in line with our neighboring preschools, which gives us the ability to offer staff competitive pay as well as attract future hires.

For the upcoming school year of 2023-2024 the monthly tuition rates for MMO and preschool will increase by \$50. The resulting monthly tuition will now be:

Monthly Tuition	2 Days	3 Days	4 Days	5 Days
MMO	\$230	\$250	\$270	\$290
Preschool	\$250	\$270	\$290	\$310
*Kindergarten				\$390
*Pre-1st				\$410

*Kindergarten and Pre-1st require lunch bunch attendance and this has already been factored into the monthly tuition.

Lunch bunch will continue to be offered Monday – Thursday at \$6/day. Our supply fees will be simplified and now be \$50 per student due in August and January. Kindergarten and Pre-1st will continue to have a one-time book fee of \$75.

Please let us know if you have any questions or concerns.

Thank you,

Elizabeth Teat Director,
FBRK
