# SUNDAY SCHOOL AT FIRST BAPTIST ROSWELL

Sunday school classes meet each week at 9:45 AM throughout our building. We want every class to be a place of Growth and Belonging.

**Growth:** All of us are called to journey in our Christian faith and grow in our relationship with God. Each week our Sunday morning Bible study classes meet to study scripture and apply it to our lives.

**Belonging:** We do not live out our faith alone, but rather in relationship with one another. Our classes are a place where your name is known, where you are missed if you're gone, and where you can share life with others.

Take a look at the classes listed here and see which one would be a good fit for you!

## ▶ **Bo Buice - Room 201**

Named in honor of Bo Buice, our first ordained female deacon, who envisioned and launched this class for singles and couples 50+ in age. Lessons are scripture based. Assembly starts with a hymn, praises and prayer requests. With various committees — Social, Christmas, In reach and Outreach — there is a place for everyone to be involved. This class is an extended family exemplifying God's love, celebrating together, supporting each other; a caring, warm group of Christians that welcomes all. You're never too old to learn more about God's amazing grace.

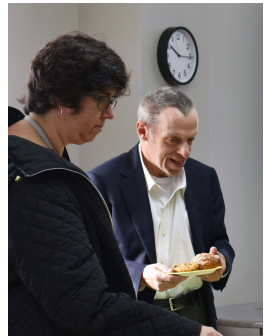

## ▶ **Celebration - Room E351**

The Celebration Class knows how to have a good time and loves meeting together each week! This class for adults with developmental disabilities includes lots of food, fellowship, Bible lessons, crafts, games and much more each week. Walk by on a Sunday morning and you'll hear lots of laughter, great questions being asked and answered, and such a positive and uplifting atmosphere. All are welcome!

## ▶ **Circle Makers - Garden Terrace 3A**

The Circle Makers class is a mixture of couples and singles ranging from 45-60, with many having kids currently in college or starting young adult life. Video studies and Bible-based discussions are used in class each week. This is the perfect class for anyone looking for a place to fit in!

## ▶ **Fishers of Men - Room 205**

A small group of men aged 65+ with open discussion and rotating teachers. Those in the group enjoy fellowship and talking about matters pertinent to Christian men today.

## ▶ **Gap Class - Room E260**

A small group composed of couples and singles in their 60s-70s, using the Smith & Helwys curriculum to look deep into the Bible and see how it applies to our life today. The group enjoys fellowship with each other over food each week before class.

### ► **Cornerstone - Room E350**

This class is comprised mostly of parents of teenagers. Its laid-back atmosphere welcomes all, and there is a strong focus on Bible studies that are relevant and help class members live out their faith in daily life. Class members keep up with each other through weekly emails of praises, prayer requests and announcements.

### ► **Encouragers - Room 207**

A women's Bible study class that cares for and prays for one another regularly. This group hopes to learn about the Lord through Bible study, as they support each other in growing and maturing in faith. Social times outside of class happen once a quarter, and when there is a need in class they look for ways to support and encourage each other.

### ► **Faithful Friends - Room 210**

This lively senior adult class has four rotating teachers and lessons are strictly Bible-based. They love to eat together, hug and affirm each other, and care for one another when sick or going through difficult times. They keep up with each other regularly through email and class get-togethers.

### ► **Fellowship - Garden Terrace 2**

A senior adult class that prides itself on being incredibly warm and friendly, this class has no regular teacher... and doesn't want one. They have food and start with a hymn, then enjoy hearing new perspectives from different teachers each week. Using Lifeway's Exploring the Bible, they explore scripture in depth by moving through one book of the Bible at a time.

### ► **Women of Worship - Room E259**

A small group of women ranging from 40s to 70s who love each other and come from all walks of life. Some are working, others are retired. They are married and divorced, single and widowed, but all enjoy being together for Bible study using the Formations curriculum.

### ► **Thee Class - Room E352**

Thee Class includes adults in middle life and beyond, both couples and singles. The class is taught in a discussion-based format using BaptistWay Press literature to study scripture. The class cares for one another and embraces different viewpoints -- all questions and comments are welcome!

### ► **Grace - Room 211**

A discussion-based class, with mostly retired folks, that tends to appeal to people who are interested in being challenged and are open to a wider theological perspective. The class studies books of the Bible with discussions centered around questions that are on the minds of Christians today and how the Bible informs our lives. This class regularly eats lunch together and enjoys frequent get-togethers, like movie nights.

### ► **In His Name - Room 202**

This class is composed mostly of folks in their 50s-70s. The teaching is both straightforward and humorous, as ample time is spent working through a book of the Bible. Class members fellowship together over breakfast, share praises and prayer requests each week, and have a heart for the missions of First Baptist Roswell.

### ► **Journey - Room E353**

Newly formed in 2022, this class is comprised mostly of single and married folks in their 20s and 30s. It's a fun, conversational atmosphere with both expositional and topical Bible studies. Members gather together regularly for fellowship and keep up with one another throughout the week.

# CHILDREN'S CLASSES

Sunday school is a time for our children to learn about and experience Bible stories in different ways. We use Whirl Classroom curriculum from Sparkhouse for our 1st through 5th graders. This curriculum focuses on teaching some of the most important Bible stories. Our younger children, two years through kindergarten, also use a Sparkhouse curriculum called Activate Faith. We hope that Sunday school helps our children develop a strong faith foundation as they learn more about God. Questions? Contact [jessica@fbroswell.org](mailto:jessica@fbroswell.org).
