# Wednesday Nights

## **Pastor's Bible Study**

### **Our Baptist Identity**

**Led by Dr. Greg DeLoach, Chapel**

What does it actually mean to be a Baptist?  
How has our history shaped who we are?  
What does all of this mean for First Baptist  
Roswell today? Come learn from Dr.  
DeLoach as we explore this topic together.

## **Ladies Bible Study – “Jesus & Women” by Kristi McLelland**

**Led by Ruth Johnson and Lynn Lynch, Room 352**

Join biblical culturalist Kristi McLelland on this 7-session study. Come away with a deeper understanding of the Bible through a Middle Eastern lens of reading scripture. Discover how Jesus graciously brought justice and righteousness to women in the first century world, and how he still does today.

## **Parenting Study – Sticky Faith: Everyday Ideas to Build Lasting Faith in Your Kids**

**Led by Kathy Jennings, Room 350**

You may have heard the statistics about how many kids who grow up in church end up leaving faith after graduating and moving out. So what is it that makes faith “stick” with young people? What are some things parents and church leaders can do right now to help create a lasting faith in our kids and teens? Join this 5-week, video based discussion group for ideas.

## **Apprentice Small Group – “The Good and Beautiful God”**

**Led by Rev. Logan Carpenter, Room 351**

Instead of attending a class, what about joining a small group? This group is composed of 8 to 12 individuals who meet weekly for 12 weeks, using the book “The Good and Beautiful God” as a guiding resource. With a weekly reading assignment and spiritual exercise, explore how each of us thinks about God, and how these thoughts impact our spiritual lives. To foster deeper relationships among group members, space is limited. If interested in joining, contact Logan Carpenter by email at [logan@fbroswell.org](mailto:logan@fbroswell.org) and tell him why you want to be a part of this experience.
